

2014 WALLAH WALLAH SPECIAL#6 SYRAH MAGNUM

BLEND OF VINEYARDS

Planted: 1997-2000
Spacing: 10' x 4'
Density: 2690 per hectare / 1089 per acre
Elevation: Varies

The vineyards are located in the ancient riverbed of the Walla Walla River on the Oregon side of the Walla Walla Valley. The topsoil consists of 12-18" inches of a mix of silty loam and basalt cobblestones. Beneath is a layer of pure compacted cobblestones, hundreds of feet deep in places.

FARMING

The vineyards have been cultivated using biodynamic farming methods since 2002.

WINE

Release: November 11, 2016
Production: 335 cases
Alcohol: 13.5%
Blend: 100% Syrah

REVIEWS

97 Points, *Wine Advocate*
