WAugust. Is. Back! The state-wide, 31-day celebration of WA Wine returns this summer for our second year! Building off the momentum of last year, this year’s Washington Wine Month celebration is gearing up to be our biggest yet. It’s all about power in numbers.

To recap, WAugust brings the energy of a summer music festival to wineries, tasting rooms, restaurants, growing regions, grocery stores and backyards across the state. WAugust does more than tell people to celebrate Washington Wine—it invites them to celebrate because it feels like a celebration: A 31-day state-wide party celebrating the amazing wine that made our state famous.

August is a special time in Washington. WAugust bottles this summer feeling, pairs it with Washington Wine, and serves as an official invitation to seek out WA Wine Month events and participate any way you please. Whether you take a road trip to a new winery, or pack WA wine in the cooler for your camping trip, there’s no wrong way to WAugust.

WAugust is for everyone—attracting wine loyalists as well as a younger demographic who’s ready to taste, and experience, something new. As the event grows, our focus is on attracting visitors from outside the state. As always, the success of this state-wide wine festival depends on the support of everyone across the state. WA wine will be on the minds of people across the state as they plan their summer activities, and it’s up to you to ensure the success of WAugust.

We’re outfitting you with this toolkit to help you make this year’s WAugust celebration our biggest yet. But don’t let this toolkit limit your imagination. You’re encouraged to celebrate WAugust in your own unique way that best serves you and your customers. Let’s GO!!!
